

JOIN US FOR AN EXCITING DISCUSSION

**Monday**

**March 4,  
2013**

# Rail Trail Public Workshop

Park & Recreation/Bay Colony Rail Trail Association

**7:00 PM**

**Town Hall  
in  
James Hugh  
Powers Hall**

**2nd Floor**

Join Needham Park & Recreation and the Bay Colony Rail Trail Association for a discussion about a possible recreation path on a formerly used rail line from Needham Junction to the Charles River.

Your input is welcome...ideas, questions, comments and/or concerns. Information will be provided to help guide small group discussions.

A study is just beginning and representatives from Fay, Spofford & Thorndike will be listening to the input from each of you. The study will be presented to the Board of Selectmen later this spring.

If you are not able to attend, please forward comments/questions to Director of Park and Recreation Patty Carey at [pcarey@needhamma.gov](mailto:pcarey@needhamma.gov)

Additional background information is available on the Bay Colony Rail Trail's website at [www.baycolonyrailtrail.org](http://www.baycolonyrailtrail.org)
